

Living with Sickle Cell

**In observance of Juneteenth, 2023
there will be two virtual sessions for you to attend!**

June 19th at 12pm (PDT)

Join us on Monday, June 19th for a special virtual
SCAFO Support Group/Education Session (Noon to 1PM)

June 20th at 12pm (PDT)

Join us on Tuesday, June 20th from Noon to 1PM as we
dive into gene therapy for sickle cell disease.
Our guest speaker will be Abena Boahene, Medical Science Liaison
and Global Medical Affairs for Vertex Pharmaceuticals.

There is an appreciation gift in celebration of Juneteenth for the first
10 people with SCD or trait to register for each event! You must be registered
for these FREE virtual events presented via Zoom.
