

"OF ALL THE FORMS OF INEQUALITY, INJUSTICE IN
HEALTHCARE IS THE MOST SHOCKING AND
INHUMANE."

- DR. MARTIN LUTHER KING JR.

We celebrate Martin Luther King Jr. Day and the inspiration of Dr. King's commitment to justice. The Sickle Cell Anemia Foundation of Oregon wishes to honor the legacy of Dr. King by lifting up the individuals and families throughout Oregon and the Pacific Northwest living with sickle cell disease who deserve the best that our healthcare system has to offer. SCAFO is dedicated to supporting the holistic wellbeing of people living with sickle cell disease, sickle cell trait and thalassemia by facilitating access to culturally responsive care, socio-economic support services, mental health resources, peer advocacy and support, and navigation services.
